

10/25-11/1/2018
RED SEA LIVEBOARD

Xplore Scuba invites you to join us diving in the Red Sea on the Heaven Saphir liveboard.

Heaven Saphir is a 118 foot luxury liveboard with 9 roomy cabins each with A/C, fridge and private bath. Common areas include a big and cozy saloon with a LCD TV for sharing your underwater footage and watching movies. Divers have all they need with two compressors on board, nitrox, large rinse tank for photo/video gear, and plenty of pristine corals and awesome marine life. The Red Sea is considered one of the 7 Wonders of the underwater world with more than 1000 species of invertebrates and over 200 species of soft and hard coral.

Package rates are per person and include: 8 days/7 nights onboard MV Heaven Saphir; up to 4 dives/day; 3 meals a day plus afternoon tea and dessert, unlimited water, tea, coffee; Local transfers from/to airport; Unlimited nitrox available.

Available 3-day extension to Cairo to visit pyramids!
